## About LRN

Since 1994, LRN has worked with hundreds of companies, both mature and emerging, that employ millions of people around the world. Two central tenets guide our working relationships with clients: Partnership and Community. We have a set of principles that animate how we do business and how we relate to our Partners. It comes from a commitment to deep relationships and meaningful connections with our Partners and Community. It impacts and expands the value our Partners can expect from LRN. Our ethics and compliance business helps partners navigate an increasingly complex ethical and regulatory environment.

## Business Challenges

- Goods and Services Tax (GST)/ Tax Deducted at Source ( TDS ) implementation

- LRN needed a more scalable solution with rapid deployment than the Microsoft Dynamics GP (Great Plain) and Tally Solutions ERP systems used before LRN. Company struggled monthly MIS in excel with delays and inconsistent data with data scattered in multiple systems like Microsoft Dynamics GP used in the U.S., Tally Solutions in India.
