About Company

A Food and Beverage company is a Dives Holding Company which runs all operations in UAE. CZN Burak representative in UAE. First CZN Burak restaurant outside of Turkey is opening in Dubai Downtown in Boulevard Point building.

Business Challenges

- Client needs custom tracking of consumable items like Cooking oil in different Unit Of Measures (UOM) i.e. 1 litre , 2 Litre , 3 Litre.
- While consumption there is no track from which bottle oil is consumed but at the month end they need to track items stock as per the different Unit of Measure (UOM).
- Client also needs the cost of oil should be embedded in the finished good cost.

Solutions Offered

Created item Oil with UOM Litre and use this item to purchase the oil. Also created items for the differnet UOM's. Link them through a custom feild. On the purchase order, provided breakup of different type of UOM's. For example. 2 bottle of 2 litre. Once the PO is recieved through customization create inventory adjustment for the child items at zero cost. Use the parent item on work order for consumption and costing in the month end once inventory counting is done. Adjust the quantity of child items as actual count. A custom screen is also provided .

Benefits

- Accurate tracking of consumable items as per the requirement.
- Better visibility on the inventory.
