INSPIRRIA

*A*bout Company

The company has been a specialized UC (Unified Communication) headset vendor for more than three decades. The company was founded with one core principle – direct to end-user support to increase the life of the product.

Business Challenges

Company needed a more scalable solution with rapid deployment of ERP systems which can manage Accounting and Financials, Projects, Fixed Management, and Inventory Management activities.

Client was looking for third party integrations to automate the processes like Shipping integration(UPS), Tax Integration, Credit Card integration, USPS Tracking, Woocommerce Integration.

Solutions Offered

- Oracle NetSuite offered a unified platform for end-to-end visibility across the business
- Shipping Integration - UPS integration to automatically calculate transportation Charges, Shipping charges etc.
- Tax Calculation - Integration between NetSuite and DOR is established that maintains the Zip Code wise Tax Code for accurate tax entry.
- Credit Card - Integration with authorize.net for Credit card authorization
- USPS Integration - Shipping Address validation during sales order creation
- Woocommerce Integration - Automatic updates of items, pricing in woocommerce via NetSuite

Benefits

- NetSuite Inventory Management gives real-time visibility into stock in warehouse
- As NetSuite is a fully integrated system so data entry is reduced
- Scalable cloud solution with OnDemand Web Application
- Accurate Tracking and visibility for shipping
